

EFBA After-School Scholarship Fund

The EFBA's Children's Scholarship Fund provides partial scholarships to children from low income families to assist them with the cost of attending EFBA's French Classes programs.

Please note that scholarship amounts vary depending on the family's income, household size and the EFBA's tuition cost. The highest scholarship amounts range from \$350 to \$1,400

- The scholarships will not cover the full tuition
- Families will be required to pay the difference between the EFBA's tuition & the scholarship
- Families will be required to contribute a minimum of \$200 towards their child's education.
