Message from the President

Dear parents,

At EFBA, we have invented a new model of high quality part-time language school. We partner with public and private K-12 schools to bring our expertise and make bilingual education accessible to the families who cannot afford the tuition of a full-time international school, or who live too far from one. We believe that in the 21st century, everyone should speak several languages.

Our teaching philosophy is play-based and we use an immersion method: we speak French at all times in as many situations as a child's schedule and parents' logistics allow. We combine an after-school program, twice a week, cultural programs on the weekends, and day camps during the long summer break; with native camp counselors from France and other French-speaking countries.

We employ passionate and skilled professionals to transmit the love of French language and its francophone cultures. There is no secret that the outcome is stunning: the children make incredible progress because they become self-motivated.

What makes us unique is the fact we have set our minds to create the best academic and socio-emotional language program outside of an international school to become bilingual.

Children need an emotionally safe environment to learn. Children need repetition to learn and feel that we, the adults, have set high expectations for them and care enough to make them love the effort.

Every child, every person has a potential. It is our individual and collective duty to empower that human being through care, guidance and education to become truly part of society.

Welcome to EFBA!

100% French immersion

Our summer camp starts at 8:30 am and finishes at 3:00 pm, with the option of enrolling your child in additional activity time in French from 3:00 to 6:00 pm.

Because each child learns at a different pace, has different skills and abilities, we offer a **tailored and diversified activity schedule**.

A typical day usually involves:

- Welcome greetings
- Singing/music and storytime
- 1-hour **French class**
- Free time with optional activities
- **Self-expression activities**
- Quiet lunch and resting time
- **Outdoor athletic games**
- A food tasting activity
- **Arts and crafts**

The programs are designed to satisfy each child's needs for leisure, discovery, creativity, imagination and identity building. Your children will in turn become explorers, adventurers, artists or investigators, in a relaxed and fun environment.

EFBA is the only French immersion Summer Camp accredited by the WASC in California!

MUSEUM QUEST & IN SAN FRANCISCO AND ALL OVER

TWO FUN PROGRAMS TO BROADEN THEIR CULTURE IN

Here is the occasion for your children to make friends and chat informally with adults to experience authentic conversations in French.

Museum Quest | Very fun trips to museums

This original program offers a cultural discovery at **various museums and cultural sites around the Bay Area**. Our booklet with games guides the children through the different galleries and exhibits. Each team, chaperoned by an adult will make observations to solve the final riddle of the scavenger hunt through the museum.

Kids' Night Out | Evening parties full of fun and adventures

This great program takes place Friday nights in San Francisco. While your children experience the joys of an evening party full of games and discoveries, you the parents can enjoy an evening to yourselves!

Discover the schedule & book online: efba.us

The supervising team is exclusively composed of French native speakers to ensure a language immersion throughout the activities.

NIGHT OUT

THE BAY AREA

Parent testimonial

"We've been with EFBA for 3 years and our kids love the Kids' Night Out and Museum Quest programs. They are a great complement to the weekly French classes. The counselors are awesome and make it really fun and creative for the kids."
